

Ten Timely Tips For Magnificent Managers

Action Plan: Focus on just one timely tip for a month; choose another for the next month. Continue this strategy for the next eight months. It's that simple.

Your life will change

- 1. Catch them doing something right**
Be amazed at the results.
- 2. Listen before you think**
Get inside their head, not yours.
- 3. It takes teamwork to make the dream work**
There is a dream ... isn't there?
- 4. Don't take it personally; take it professionally**
You are simply the trigger.
- 5. 'I have to' versus 'I want to'**
Limited choice ~ massive consequence
- 6. DWYSYWD**
Walk your talk
- 7. Point your finger; notice three are pointing back at you**
Blame not - reflect on how you helped create the situation.
- 8. Conflict - Three vital questions:**
What, specifically, is the problem?
What do you want?
What's stopping you from getting that?
- 9. It's not what is said ... it's what is done**
Actions reveal the real deal.
- 10. The video of your children's life can never be re-run**
Play a lead role.
